CUSTOM RESINS

We can take our stock resins and add a logo.

A totally new shape and design for your application is also possible.

Our artists are skilled at interpreting your rough layout. The process is simple and straight forward. From a blueline rendering, to a clay prototype and then to a full colour model, we look after it all the way. Once you have approved the full colour model, your order is released to production.

Please allow 90-120 days to get your custom award designed and produced. Call today to make your custom award a reality.
